BRIDGE COURSE

2018-2019

Bridge Course

We had organized a Bridge Course from 25.06.2018 to 11.07.2018 to the new entrant students of our college to inspire them to be the future sculptures with whole hearted involvement in various academic and non-academic programs. We could understand from their feedback in the concluding session, the usefulness and meaningfulness of the bridge course

① What helped these 3 boys to face their lives?
② What is your reaction from these short video clippings?
③ Do you see boys like these 3 boys in our society?
