# Bridge Course

BRIDGE COURSE

We had our bridge course for I year B.Ed., students from 25<sup>th</sup> June, 2019 to 11<sup>th</sup> July, 2019. The programme started with an Ice-breaking session followed by sessions on Personality Development, Physical Health, Yoga, ICT in Education, Time Management, Team Building, Emotional Intelligence, Arts and Craft, Italic Writing Practice, Communicative Competence, History of Education in India, Save the Earth- Environmental Awareness, Teacher as a Mentor and Leadership skills. Dr. Theresita Shanthi, Assistant Professor of Physical Science, who had attended the '**Student Induction Programme**' conducted by the Southern Regional Office of the UGC, shared the inputs she had received. This made the students acquaint with the essence of Value Education and inculcation of values in education. The bridge course enabled the new entrants to have a smooth transition from learning based education to a formation based course.
