St. Ignatius College of Education was started on 2<sup>nd</sup> July 1957 in response to the need for a larger number of women trained graduate teachers in the southern part of Tamilnadu.

Our foundress Mother Marie Louise De Meester, blazed a fresh trail in the land of India. Young women who had the same vision of Mother Foundress joined the ICM congregation to respond to the clarion call to uplift the needy and marginalized and to serve humanity at large. The ICM Missionaries empowered children and women by imparting education, faith formation, health care and awareness of the forces operative in society, fulfilling their roles as missionaries and visionaries in their passion for God and Passion for people.

**THE SPIRIT OF MOTHER FOUNDRESS**

A hundred years ago, our Foundress set out on her missionary journey to India. At that time, she did not realize that she is going to lay the foundation of a missionary congregation. She had left her beloved family, friends, and country and went to a far distant, unknown land. She could hardly have imagined what difficulties, hardships and sufferings were awaiting her.

Our Foundress had a vision. She was determined, with God's grace, to see it come through. For the glory of God, she wanted to save "souls". She was endowed with a pioneering spirit, ready to go where there were poor people who are deprived of basic needs. During her life-time, her missionary activities had spread over three continents.

For the Glory of God and the salvation of souls, she was ready to give her everything, even her own life.

With her whole soul, she offered to God the sacrifice of her life, begging Him “ to accept the offering of my whole being in union with that of Jesus on the cross for His Greater Glory, and for the salvation of souls”. (Spir. Test. 1908). From her numerous letters and other writings, one gets a glimpse of how she realized her dream, and how she guided and inspired the young women who joined her, willing to share her life and work. The language, the images she used, and her understanding of some theological principles may be outdated, but the underlying message, the inheritance she left us, is still living in us, is ever “new”, the Gospel being the timeless source that inspired and empowered her”. (1918).

As a result, the foundation for a milestone in the history of women education was laid by dedicated, valiant, committed, farsighted and selfless team of pioneer sisters Sr. Gudule, Sr. Bavo, Sr. Georgina and Sr. Alex.

Their ideals, ardent faith and unflinching service were the pillars upon which an educational edifice was erected with the motto ‘VIRTUE IS OUR STRONGEST SHIELD’ with awareness that teachers are expected to be the safe custodians of values and virtues.

**I.C.M. EDUCATIONAL APOSTOLATE  
AND EDUCATIONAL SOCIETY**

Treading on the footsteps of St. Ignatius of Loyola and realizing the significant role that Education plays in transforming the youth and the whole Nation, our Congregation gears all the efforts towards enabling the students who come under the benevolent and beneficial folds of the institutions to develop in all walks of life - emotional, intellectual and skill oriented dimensions. The ultimate goal is to make them worthy and responsible.

All I.C.M. Institutions are challenged to make Educational Ministry a weapon to carve the values of the kingdom, Love, Justice, Peace and Truth into the society, and to weave the values of universal Brotherhood and Sisterhood into the fabric of Social Structure.

In the process the aim of education has been formulated in such a way as to comprise in it, and to implement through it the Mission and Vision of the Congregation.

Hence the aim of the College of Education is to develop in the women teacher trainees a broad vision of interest, a love of knowledge good aesthetic taste, interest in their fellow men, concern for the advancement of our country. and perception of themselves as part of the whole world. Such an integrated personality would equip them with all skills required for the mission of social change and social justice.

In order to promote such objectives through curricular and co-curricular transactions, the Congregation is very particular in selecting potential teachers and studious learners as primary stake holders, so that the secondary stake holders - Parents, Beneficiaries, Well - Wishers, and NGOs would be drawn into the machinery of the institution's functioning.
