PSYCHOLOGY LABORATORY (2023-2024)

Principles and Procedures:

- ❖ The lab is utilized for optimum outcome-based learning to help the student teachers attain overall wellbeing.
- ❖ Students' self-regulation assists in learning and self-regulatory skills can be learnt by following the principles deliberately.
- ❖ Students have to enter the psychology lab and use the materials only at the time stipulated by the staff member. Register your attendance as you enter the lab.
- ❖ For experiments in groups, all the individual members should mark their attendance.
- ❖ If there is an inevitable need of an apparatus to be used during Internship or for classroom seminar, apparatus could be taken out of the laboratory with written entry in the Issue Register with signature and date of return.
- ❖ Perfect silence should be maintained inside the laboratory.
- ❖ Laboratory principles should be followed and remember, psychology lab is not a place to spend your leisure.

- ❖ Materials and apparatus in the laboratory should be utilized ethically under the supervision of the faculty. Handle the apparatus with utmost care.
- ❖ Worksheets of Paper-pencil tests should not be misused or wasted.
- ❖ Prepare well, clarify your doubts and then enter the psychology laboratory.
- ❖ Note the readings and needed rough work in Observation notebook. Official right up in the record notebook must be submitted within one week.
- ❖ Confidentiality has to be sternly maintained with the observations and the experimental results and should not be misused under any circumstance, elsewhere.
