## APPLY ONLINE

**St. Ignatius College of Education for Women was started on 2nd July 1957 in response to the need for a larger number of women trained graduate teachers in the southern part of Tamilnadu.**

Our Foundress Mother Marie Louise De Meester, blazed a fresh trail in the land of India through various ministries. The ICM Missionaries empowered children and women by imparting education, faith formation, healthcare and awareness of the forces operative in society, fulfilling their roles as missionaries and visionaries in their Passion for God and Passion for people. The College of Education that had its birth in such a noble heritage of background strives to bring forth teachers with personal integrity, social commitment, emotional maturity and moral and ethical uprightness.

**MOTTO:**

“VIRTUE IS OUR STRONGEST SHIELD”

**VISION:**

Our institution aims at the formation of prospective women teachers with far-sighted clear vision of the present and future panorama of the needs and requirements for the promotion of Social Justice and Social Progress.

**MISSION:**

As ICM educators, we commit ourselves to work in a special way for the development of an integrated personality of our students and staff by giving importance to deep faith formation, inculcation of moral and spiritual values and empowering them to strive for equal status in life.

**GOAL:**

The institution aims at formation of teachers with Commitment, Dedication and Self-reliance to dispel the darkness of Ignorance, Prejudice and Narrow-mindedness, thus paving way for a Secure and Secular society.

## ICM MISSION AND VISION

We are in an alarmingly globalized situation where human dignity is violated and the ecological lives of the people are devastated and threatened. We, the ICM Educators, as radical disciples of messengers of God and urged by our charism commit ourselves together with our collaborators. With the guidance of the power of God we make God's presence to be felt among the people, especially the dalits, marginalized women, youth, children, disabled, slow learners and drop outs by giving value based life-oriented education. We commit ourselves through holistic approach and dialogue of life with an attitude of reverence for people of other faiths, for an integral development leading to social transformation.

With this aim in view, the admission policy is framed as to enfold representatives from the marginal sectors of the society beyond the partitions of creed and community. NCTE recognized the institution as per order No.2147 Dated 26.11.1996.

Every year the college enrolls

- 200 students in the B.Ed. Programme,
- 50 in the M.Ed. Programme and
- 15 in the M.Phil. Programme.

The institution offers the following Curriculum and Pedagogic Studies (CPS) Courses :

- English,
- Tamil,
- Mathematics,
- Physical Science,
- Biological Science,
- History and
- Computer Science.

Our Institution has support services namely Library, Language Laboratory, Computer Laboratory, Psychology Laboratory, Technology Laboratory, Physical Science Laboratory, Biological Science Laboratory, Mathematics Laboratory, Digital library and Hi-tech studio. A well-furnished hostel provides a meaningful and fruitful residential life for the students. There are sufficient indoor and outdoor games facilities for recreation.

## **The Development of ICM Educational Apostolate**

We realise that education leads to the growth of an individual and of the nation ultimately. We, therefore, make deliberate efforts to assist the students in order to satisfy their thirst for knowledge, directing the activities, to make them worthy human beings, equipping them to perform the responsibilities as citizens and members of Indian Society.

Treading on the footsteps of St. Ignatius of Loyola and realizing the significant role that Education plays in transforming the youth and the whole Nation, our Congregation gears all the efforts towards enabling the students who come under the benevolent and beneficial folds of the institution to develop in all walks of life - emotional, intellectual and skill oriented dimensions. The Ultimate goal is to make them worthy and resourceful. Hence the aim of the College of Education is to develop in the Women teacher trainees a broad vision of interest, a love of knowledge, good aesthetic taste, Interest in their fellow men, concern for the advancement of our Country and perception of themselves as part of the whole world. Such an integrated personality, would equip them with all skills required for the mission of Social Change and Social Justice.

The young women are trained to become potential teachers and leaders. We encourage faith formation, value education, inter-faith prayers and dialogue. Along with imparting qualitative education, our student-teachers are prepared with a sound philosophy of life. They are made to realise the nobility of their profession and their responsibility in moulding the future citizens of our country.

### **Admission Policy:**

The admission process is made open to everyone without distinction of caste, creed or religion. However, preference in admission is given to the poor and to those who are willing to work in rural areas or wish to work for the benefit of the poor and the first generation graduates.

### **Teaching Orientation Programme:**

Teacher Education is meant for identifying those aptitudes in the student-teachers required for effective teaching and developing those aptitudes to the maximum. Every academic year commences with an Orientation Programme which includes training in Italic-writing, Chart-writing and a Bridge course in English Communication Skill. During the month of October, demonstrations of model lessons are arranged and teachers of the model school provide lessons to the student-teachers. During the months of October–November the student-teachers would have their practice teaching in the model school and they would practise Macro-Teaching skills.

### **ICT Integrated Teaching Learning Process:**

The institution gears itself towards quality enhancement measures through the quality of educational programmes and professionalism of our faculty. The institution delivers the best to maximize student's global competence by making them collaborate and communicate critically and be digitally fluent.

The institution boasts of an efficient language lab facility and hi-tech studio that make the learning process thoroughly meaningful and productive for the student teachers. ICT has become integral to the teaching-learning interaction through Google classrooms, interactive digital whiteboards, flipped classroom, blended learning. The techniques like Brainstorming and Think-Tank lead to higher order thinking skills, provide creative and individualized options for students to express their higher understanding.

The Self-study courses, Value added courses and Certificate courses equip our students to be better prepared to deal with the ongoing technological change in society and the workplace.
