COLLEGE SONG

Ignatius, Ignatius
We'll sing our proud refrain,
Ignatius, Ignatius
Till the echoes ring again.
Now Virtue is our strongest
shield we say,
And righteousness is our Constant way - Ignatius...
No matter where we all may be from,
The Ignatian spirit in us shines forth - Ignatius...
To make a difference is our prime motto,
And all for God and people is our reign evermore - Ignatius...
For here we all are free
and our hearts are strong,
And joyfully we sing as
we walk along - Ignatius...

MORNING PRAYER

God our Father and Mother!

Thank you for the gift of life you have given us.

Thank you for protecting us and journeying with us through the ups
and downs of our life.

As we begin this day, we implore your blessings upon each of us.

We pray for your guidance and protection for us, ICM sisters, our
professors, administrative staff of our college, our family members
and all people of the universe.

Direct our thoughts, words and actions and teach us to do the right
thing always.

Grant us the wisdom and knowledge to discern what is best and to
live according to it.

May we be open to probe into possibilities of widening our hearts
and minds and equip ourselves to become inspiring teachers!

Prayer Songs

Song-1

You spoke a word and stirred a silent spring
You touched my heart and I began to sing
To free the music deep in everything
Now all the earth with its in new melody has
Meaning for me, forever.
You are the song and
You are the singing all through the longing,
You come bringing Music

You promised you would give the words to say
You touched my heart and I began to pray
And all my frail defenses
Fell away and all the walls that held my feelings inside were
Thrown open wide forever
You are the Prayer and
You are the praying when I prepare, you are the conveying music,

You promised to be present everywhere
You touched my heart and I became aware of all the love entrusted
To my care and of the need to share the gift that you give the
Love that will live forever
You are the gift and
You are the giving
We are uplifted you are living

You are the song
You are the singing all through the longing,
You come bringing Music you are the gift
You are the giving we are uplifted you are living music

Song-2

God of love [2]
Make me love as you will
God of light [2]
Make me see as you will
God of peace [2]
Make me think as you will
God of truth [2]
Make me speak as you will
God of life [2]
Make me live as you will

Song-3

This little guiding light of mine I'm going to let it shine.
This little guiding light of mine I'm going to let it shine.
This little guiding light of mine I'm going to let it shine.
Let it shine all the time let it shine.

Hide it under a bush Oh no I'm going to let it shine.
Hide it under a bush Oh no I'm going to let it shine.
Hide it under a bush Oh no I'm going to let if shine.
Let it shine all the time let it shine.

Take my little light round the world I'm going to let it shine.
Take my little light round the world I'm going to let it shine.
Take my little light round the world I'm going to let it shine.
Let it shine all the time let it shine.

Song 4

This is my prayer to thee, my God -
strike, strike at the root of penury in my heart.
Give me the strength lightly to bear my joys and sorrows.
Give me the strength to make my love fruitful in service.
Give me the strength never to disown the poor
or bend my knees before insolent might.
Give me the strength to raise my mind high above daily trifles.
And give me the strength to surrender my strength
To thy will with love.

Song 5

I have come to thee to take thy touch
Before I begin my day
Let thy eyes rest upon my eyes for a while.
Let me take to my work the assurance of thy comradeship, my friend.
Fill my mind with thy music to last through the desert of noise.
Let thy Love's sunshine kiss the peaks of my thoughts and linger
in my life's valley where the harvest ripens

Song 6

You are with me Wherever I go
Every moment Your life in me flows
You're always there close by my side,
You are there O God both day and night
You were with me in my mother's womb
You are with me in my days of gloom
You helped me stand against all odds
And you filled me with your strength O God
In times of sorrow and in times of grief,
You gave me hope, strengthened my belief
When I did fall and was in pain,
Lord You set me on my feet again

Song 7

Oh God in the depth of my soul
Your presence I feel
Your glory behold
You are great and marvelous
You are wonderful, beautiful, glorious
You live within me you move within me
Part of my life you'll always be
It's your breath I take
Your life I live
All that I have and own all are your gifts

Song 8

God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me
He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way
Oh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me

Song 9

Jyoti tumhari satatjalegi
Aaya hu ujala lene,
Prabhu aaya ujala lene.

1. Charo dishaye najar na aaye,
Itana andhera jeevan mein,
Kitani chamak teri darshan mein.
2. Sara jagatalokit hota,
Tera ujala pakar hee,
Chand sitare aur suraj bhi.
3. Mere hriday mein tere jyoti,
Man ka ye mandir roshan hai,
Jag-mag mera ghar aangan hai.

ST. IGNATIUS COLLEGE OF EDUCATION

(AUTONOMOUS)

Accredited by NAAC at Grade A+ with CGPA of 3.42 (Third Cycle)
PALAYAMKOTTAI

St. Ignatius College of Education was started on 2nd July 1957 in response to the need for a larger number of women trained graduate teachers in the southern part of Tamilnadu.

Our foundress Mother Marie Louise De Meester, blazed a fresh trail in the land of India. Young women who had the same vision of Mother Foundress joined the ICM congregation to respond to the clarion call to uplift the needy and marginalized and to serve humanity at large. The ICM Missionaries empowered children and women by imparting education, faith formation, health care and awareness of the forces operative in society fulfilling their roles as missionaries and visionaries in their passion for God and Passion for people.

THE SPIRIT OF MOTHER FOUNDRESS

A hundred years ago, our Foundress set out on her missionary journey to India. At that time, she did not realize that she is going to lay the foundation of a missionary congregation. She had left her beloved family, friends, and country to a far distant and unknown land. She could hardly have imagined what difficulties, hardships and sufferings were awaiting her.

Our Foundress had a vision. She was determined, with God's grace, to see it come through. For the glory of God, she wanted to save "souls". She was endowed with a pioneering spirit, ready to go where there were poor people who are deprived of basic needs. During her life-time, her missionary activities had spread over three continents.

For the Glory of God and the salvation of souls, she was ready to give her everything, even her own life.

With her whole soul, she offered to God the sacrifice of her life, begging Him "to accept the offering of my whole being in union with that of Jesus on the cross for His Greater Glory and for the salvation of souls". (Spir. Test. 1908). From her numerous letters and other writings, one gets a glimpse of how she realized her dream, and how she guided and inspired the young women who joined her, willing to share her life and work. The language, the images she used and her understanding of some theological principles may be outdated, but the underlying message, the inheritance she left us, is still living in us, is ever "new", the Gospel being the timeless source that inspired and empowered her". (1918).

As a result, the foundation for a milestone in the history of women education was laid by dedicated, valiant, committed, farsighted and selfless team of pioneer sisters Sr. Gudule, Sr. Bavo, Sr. Georgina and Sr. Alex.

Their ideals, ardent faith and unflinching service were the pillars upon which an educational edifice was erected with the motto 'VIRTUE IS OUR STRONGEST SHIELD' with the awareness that teachers are expected to be the safe custodians of values and virtues.

HISTORY OF THE INSTITUTION

St. Ignatius College of Education had its beginning in the upper block of St. Ignatius' Convent High School with a hope and views of gaining academic and moral support from the model school. The college was officially inaugurated on 29th July 1957 after getting affiliation from Madras University. Sr. Stephane was the founder Principal to officiate the human machinery of five faculty members and 37 students, having their hopes and mission attuned to the clarion call of the Foundress for the progress in the educational pilgrimages, leaving behind her imprints on the present structure of the college.

The College of Education that had its birth in such a noble heritage of background strives to bring forth teachers with personal integrity, social commitment, emotional maturity and moral and ethical uprightedness. With this aim in view, the admission policy was framed so as to enfold representatives from the marginal sectors of the society beyond the partitions of creed and community.

The institution nurtures the foundations of education - Philosophical, Psychological and Sociological bases of education by imparting the principles of child centeredness, activity centeredness, and experience based methods integrated in the transaction, so that the flexibility of their applications in teaching - learning process is wider. Education is a process of training the human mind by cultivating a habit of scientific enquiry, objective assessment and balanced judgment. Education is an indispensable asset in its attempt to attain the ideals of peace, freedom and social justice.

The institution is very particular in availing the human and financial resources and making policy decisions collaboratively with the Management and Governing Board for providing support services of good quality.

Thousands of young women have been passing out of the portals of St. Ignatius College of Education to merge with the vast Indian society to empower the youth through the service of education. The institution is truly proud of them because true to its motto : "Virtue is our Strongest Shield", they are carriers of human values that are being passed on to the present and to the future generations. I.C.M. EDUCATIONAL APOSTOLATE AND EDUCATIONAL SOCIETY

Treading on the footsteps of St. Ignatius of Loyola and realizing the significant role that Education plays in transforming the youth and the whole Nation, our Congregation gears all the efforts towards enabling the students who come under the benevolent and beneficial folds of the institutions to develop in all walks of life - emotional, intellectual and skill oriented dimensions. The ultimate goal is to make them worthy and responsible.

All I.C.M. Institutions are challenged to make Educational Ministry a weapon to carve the values of the kingdom, Love, Justice, Peace and Truth into the society, and to weave the values of universal Brotherhood and Sisterhood into the fabric of Social Structure.

In the process the aim of education has been formulated in such a way as to comprise in it, and to implement through it the Mission and Vision of the Congregation.

Hence the aim of the College of Education is to develop in the women teacher trainees a broad vision of interest, a love of knowledge good aesthetic taste, interest in their fellow men, concern for the advancement of our country and perception of themselves as part of the whole world. Such an integrated personality would equip them with all skills required for the mission of social change and social justice.

In order to promote such objectives through curricular and co-curricular transactions, the Congregation is very particular in selecting potential teachers and studious learners as primary stake holders, so that the secondary stake holders - Parents, Beneficiaries, Well - Wishers, and NGOs would be drawn into the machinery of the institution's functioning.
