RATIONALE:

International Women's Day is a global celebration of the achievements, resilience, and contributions of women in all spheres of life. It serves as a reminder of the progress made toward gender equality and highlights the challenges that still exist. Observing this day encourages awareness of women's rights, empowerment, and the need for an inclusive society where women are given equal opportunities in education, employment, and leadership. Events like the Women's Day Marathon promote physical well-being, inspire confidence, and foster a spirit of unity among participants.

By commemorating this occasion, we acknowledge the invaluable role of women in shaping families, communities, and the world, while also advocating for continued efforts to eliminate gender-based discrimination and ensure a more just and equitable future for all. Ten students from St. Ignatius College of Education participated in the marathon. The marathon run was flagged off at 7 am. It was started from the main entrance of the VOC Ground, Palayamkottai and went to High Ground and ended in the main entrance of the VOC ground. Our students participated in the marathon run enthusiastically and successfully completed the distance.
