A DEMO PRESENTATION

“Stay Safe, Stay Alert: Fire Safety Demonstration”

19.03.2025

Rationale:

- To create awareness about fire safety protocols.
- To educate on types of fire extinguishers and their usage.
- To enhance emergency response preparedness.
- To instill confidence in handling fire-related emergencies.
- To reduce fire hazards through preventive measures.

Minutes:

The "Stay Safe, Stay Alert: Fire Safety Demonstration" was conducted on 19.03.2025 and began with a prayer song. Rev. Sr. Dr. L. Vasanthi Medona, Principal, felicitated the gathering and emphasized the significance of fire safety awareness. Three Station Fire Officers attended the event to educate participants on fire safety measures. Mr. Sundaram, Station Fire Officer, explained the necessity of the program, highlighting the importance of preparedness in fire emergencies. Mr. Selvam, Fire Officer, provided a detailed explanation of different types of fire extinguishers and their proper usage. A live demonstration was conducted where officers practically showcased fire prevention techniques and emergency response measures. The session was highly interactive, allowing participants to gain hands-on experience in handling fire-related situations. The demonstration effectively enhanced awareness, instilled confidence and strengthened the fire safety culture within the institution.

Outcomes:

- Participants gained knowledge of fire safety practices.
- Hands-on experience in using fire extinguishers.
- Awareness of different fire types and control measures.
- Improved confidence in emergency handling.
- Strengthened safety culture in the institution.
