GRADUATION DAY

The convocation ceremony, held on November 24, 2023, was graced by the esteemed presence of Thiru M. Appavu, Speaker of the Tamilnadu Legislative Assembly, who delivered a profound graduation address. During the ceremony, Thiru M. Appavu presented degree certificates to 327 young graduates from the 2018-20, 2019-21, and 2020-22 B.Ed. batches, as well as the 2019-21 M.Ed. batch. He eloquently emphasized the transformative power of education in fostering physical, intellectual, and moral capacities, aimed at promoting both individual growth and societal integration. Moreover, Thiru M. Appavu highlighted the pivotal role of educational experiences in shaping human development and societal norms, crucial for the progress of civilization and citizenship.

CURRICULAR TRANSACTION

The institution has consistently emphasized its central role in shaping the curriculum, understanding the intrinsic importance of continuous evolution and the on-going need for refinement, enhancement, rigorous assessment, and innovative methodologies. Through dedicated academic committees, the institution serves as a vibrant centre for the cultivation and exchange of influential ideas crucial to curriculum development.

Throughout the academic year 2023-24, the institution convened essential meetings to ensure effective governance and planning: the Board of Studies convened on May 17, 2023, and December 2, 2023; the Academic Council met on July 21, 2023, and January 12, 2024; the Governing Body assembled on November 14, 2023, and February 21, 2024; and the Planning and Evaluation committee convened on May 18, 2023, and January 30, 2024.

In line with the central aim of empowering students to reach their maximum potential and succeed in an increasingly interconnected global economy, the revised curriculum prioritizes fostering awareness of crucial global educational trends and essentials.

MICRO TEACHING (I YEAR)

The prospective teachers underwent comprehensive training in Microteaching to refine their teaching skills and demonstrate their proficiency during the microteaching cycle held from October 16 to October 27, 2023. This training significantly enhanced their teaching abilities, enabling them to discern various teaching objectives, attitudes, and patterns of teaching behaviour among their peers.

MODEL SCHOOL OBSERVATION

The prospective teachers embarked on a visit to St. Ignatius Convent Hr. Sec. School, our Model School, on November 27 and 28, 2023, where they observed content and pedagogy parameters demonstrated live during lessons. Throughout this visit, the model school teachers imparted training to prospective teachers on effective teaching strategies, fostering positive interaction dynamics, and cultivating a reflective mind-set. This training was designed to bridge the gap between theoretical understanding and practical application, thereby enriching the teaching-learning process holistically.

PRACTICE TEACHING

The prospective teachers showcased their teaching expertise and instructional materials during their practice teaching sessions at the model school, St. Ignatius Convent Higher Secondary School, on January 23 and 24, 2024. This practical academic endeavour provided them with an opportunity to fine-tune and elevate their pedagogical abilities, offering a structured framework for devising and executing impactful teaching methodologies within authentic classroom environments. We extend our sincere appreciation to Rev. Sr. Vasanthi Brindha, the Headmistress of the School, for her invaluable support and guidance.

INTENSIVE TEACHING PRACTICE (II YEAR)

The prospective teachers underwent meaningful and collaborative 20-week internship training across 23 supporting schools, which began on July 17, 2023. This comprehensive training included an initial four-week phase involving observation of mentor-led lessons, active participation in school routines, and demonstrations during their first year.

This system fervently fosters an environment where students are empowered to showcase their unique talents and abilities. Each tutor is entrusted with the care of six wards, serving as their full-time mentor, devoted to nurturing their holistic development. Furthermore, tutors convene with their wards collectively once a month, while also being available for individual sessions as required, ensuring personalized support tailored to the needs of each student.

UNDERSTANDING NEW EDUCATION POLICY (NEP) 2020

The National Education Policy (NEP) envisions the provision of high-quality education aimed at nurturing human resources to become global citizens, a vision effectively communicated to students. Events such as 'Outcome Based Education in the light of NEP 2020' held on 22.12.2023, 'Essentials of Academic Bank of Credits' organized on 22.02.2024, and 'Salient Aspects of Holistic and Multi-Disciplinary Education' convened on 15.03.2024, exemplify efforts towards realizing this vision by educating stakeholders on key principles and initiatives outlined in the NEP.

MEMORANDUM OF UNDERSTANDING (MOU)

The Memorandum of Understanding (MoU) stands as a distinctive avenue for fostering knowledge exchange among institutions. Through the sharing of resources and expertise, a symbiotic relationship is cultivated, ensuring mutual growth and advancement. Currently, our college has established 30 MoUs with esteemed higher educational institutions nationwide, aimed at fostering the promotion of curricular, co-curricular, and extra-curricular activities, thereby enriching the academic landscape and providing diverse opportunities for student engagement and development.

CLUB ACTIVITIES

The institution fosters the fundamental principles of education by instilling learner-centeredness, promoting lifelong learning, and integrating practical knowledge into the teaching-learning process, thereby facilitating the holistic development of prospective teachers. A total of 290 curricular and co-curricular activities were successfully implemented through the effective operation of 21 clubs and committees. These programs were centred around pivotal themes such as Brainstorming, Think Tank, Debates, Group Discussion, Poster Making Competitions, Interactive Sessions, Literary Parades, Training Sessions, Invited Talks, Workshops, Guest Lectures, and Enrichment Programmes.

LIBRARY FACILITIES

Sr. Lily Pushpam Library serves as a primary repository of knowledge across various disciplines, housing an impressive collection of 19,729 volumes of books. Additionally, the library subscribes to 47 journals, magazines, and periodicals, ensuring regular access to current research and literature. To further enhance research capabilities, user IDs are provided to

facilitate access to e-resources through DELNET Membership. Moreover, our library offers an extensive array of digital resources, with access to 164,309 e-books and 6,500 e-journals through the UGC INFLIBNET N-List Consortium, enriching the academic experience and catering to the diverse needs of our users.

The Sr. Lily Pushpam Library, an integral hub of intellectual exploration and academic enrichment, has orchestrated a series of engaging and enlightening events, demonstrating its commitment to fostering a vibrant learning environment within our institution. From thought-provoking seminars like 'Naan Mudhalvan – Towards a New Horizon' on 15.09.2023 to enriching trips such as the visit to the District Central Library, Palayamkottai on 30.10.2023, the library continuously endeavors to expand horizons and broaden perspectives. Furthermore, initiatives like the 'National Level Online Quiz Competition' held on 17.11.2023 exemplify the library's dedication to promoting scholarly engagement beyond physical confines. Moreover, the inauguration of the Readers' Forum, graced by the esteemed guidance of District Collector Dr. K.P. Karthikeyan I.A.S on 04.01.2024, marks a significant milestone in fostering a culture of literacy and discourse within our college community. Through these initiatives, the Sr. Lily Pushpam Library continues to serve as a beacon of knowledge, inspiration, and community engagement, driving forward the pursuit of intellectual excellence and societal impact.

SCHOLARSHIP

Scholarship opportunities at our institution extend beyond government provisions, encompassing management scholarships to support our students in their academic pursuits. The college office plays a pivotal role in facilitating students' access to government scholarships, ensuring that eligible individuals can benefit from these financial aids. Additionally, economically disadvantaged students receive financial assistance through alumni scholarships and contributions from other generous donors. These efforts underscore our commitment to ensuring equitable access to education and alleviating financial barriers, thereby empowering all students to pursue their academic goals and fulfil their potential.

CELEBRATIONS

The college orchestrated a diverse array of events and celebrations, showcasing its commitment to fostering a vibrant and inclusive campus community.

These diverse events underscore the institution's commitment to social responsibility, community engagement, and holistic development, reflecting its dedication to fostering a well-rounded educational experience for its students and stakeholders.

JOY OF GIVING

Amidst natural calamities, the institution exemplified altruism and solidarity by extending heartfelt support to flood-affected communities through various philanthropic initiatives.

The institution responded to the devastating floods in Tirunelveli and Thoothukudi Districts by offering financial aid to severely affected students on December 22, 2023. This compassionate gesture, initiated by Rev. Dr. L. Vasanthi Medona ICM, the Principal, inspired both faculty and students to join hands in alleviating the suffering of flood-affected

communities. Their collective philanthropic efforts, which included contributions of essential groceries, bedding, gas stoves, and other necessities, exemplify the institution's deeply ingrained values of empathy and social responsibility. Furthermore, the institution continued its humanitarian outreach through "Joy of Giving" initiatives at Babuji Colony in Meenakshipuram and Xavier Colony in Melapalayam on January 31, 2024, and CN Village in Meenakshipuram on February 1, 2024, underscoring its commitment to supporting and uplifting those in need during times of crisis.

UNNAT BHARAT ABHIYAN (UBA)

The institution actively contributes to the vision of transformative rural development through its involvement in the UBA (Unnat Bharat Abhiyan) initiative. By providing its services to UBA Grama Panchayats such as Melaputhaneri, Maruthur, Naduvakurichi, Puthukulam, and Udayarkulam, it exemplifies its dedication to fostering positive change and sustainable growth in rural areas.

The institution has made significant strides in its involvement with the UBA (Unnat Bharat Abhiyan) initiative, achieving notable milestones and implementing impactful projects:

PLACEMENT CELL

The Placement Cell serves as a vital resource, facilitating career opportunities and professional growth for students through various initiatives and collaborations. To harvest the rewards of perseverance, the Placement Cell organized the Campus Interview – “Inigo Job Fest 2024” for second-year prospective teachers on 24.02.2024, attracting participation from twenty-three schools. Under the guidance of the Career Guidance and Placement Cell, 67 eager candidates underwent interviews, resulting in 60 students securing positions in esteemed institutions.

SPORTS DAY

The vibrant spectacle of students' athletic prowess illuminated the Sports Day festivities held on April 6th, 2024. Dr. M. Antony Raj, Principal of St. Xavier's College of Education, Palayamkottai, graced the occasion as the esteemed chief guest. In his address, he eloquently emphasized the integral role of sports and games in shaping not just physical fitness, but also emotional and social development in our lives.

Prospective teachers enthusiastically participated in a plethora of sporting events, each one a testament to their talents and capabilities. The culmination of the day saw the deserving victors of sports events being adorned with certificates and medals, a fitting recognition of their dedication and skill.

STAFF TOUR

The staff excursion offered a chance for both Teaching and Non-Teaching staff to discover and relax collectively, nurturing unity and revitalization. On 09.03.2024, a staff tour to Kanyakumari district was meticulously organized for both Teaching and Non-Teaching staff. The experience left the participants feeling revitalized and refreshed, as they shared delightful moments destined to be cherished in the days ahead.

FIELD TRIP

A captivating excursion titled 'Exploring Earth's Wonders' took the faculty members and students on a journey to Kanyakumari on April 12th, 2024. The itinerary included visits to renowned landmarks such as Devasahayam Pillai Mount, Padmanabhapuram Palace, Thiruparappu Waterfalls, and the picturesque Kanyakumari Beach.

Immersed in the rich tapestry of tradition and surrounded by verdant landscapes, the students revelled in the multifaceted allure of Kanyakumari District. This immersive experience broadened their perspectives, offering them a deeper understanding of India's cultural heritage and traditions.

INSTITUTIONAL BEST PRACTICES

St. Ignatius College of Education leads environmental conservation by integrating sustainable practices into its curriculum and collaborating with the community to empower students as ethical leaders in achieving UNESCO's Sustainable Development Goals. The annual day, themed "Green Champions - Beyond Borders," emphasizes the college's dedication to environmental conservation.

EMBRACING ENVIRONMENTAL PRACTICE

The institution provides an elective course in "Environmental Education," serving as a crucial foundation for instilling environmental awareness and accountability among student educators. This course enables students to delve into fundamental environmental principles, examine contemporary sustainability issues, and acquire the expertise to incorporate environmental education into their teaching methods. The institution underscores the significance of weaving Ignatian values of care for creation and social justice into environmental education. By intertwining environmental concerns with broader ethical and societal challenges, the course motivates student educators to approach sustainability with empathy, integrity, and a profound sense of global duty.

GREEN INITIATIVES IN THE CAMPUS

- St. Ignatius College of Education, Palayamkottai, ardently champions the cultivation of a sustainable and eco-conscious environment within its campus. The institution has adopted an all-encompassing energy policy centered on curbing demand, augmenting efficiency, and minimizing waste. This approach includes the extensive use of LED lighting and LED computer monitors to conserve energy. Moreover, the college leverages alternative energy sources, primarily solar power, to further diminish its carbon footprint.
- Waste management is an area in which the college excels, owing to its collaboration with Devi Systems for e-waste management. The college's waste management policy prioritizes the principles of the 4 R's: Reduce, Refuse, Reuse, and Recycle, ensuring minimal ecological impact.

- Safeguarding the natural heritage of the campus is a key concern. The college takes pride in its venerable trees and actively ensures their preservation. The campus itself serves as a showcase of its green initiatives, featuring specialized areas such as the Inigo garden, terrace garden, and herbal garden, where vermicompost is prepared to nourish plants.
- Water management is meticulously executed through the "three W's" approach: water conservation, water harvesting, and water reuse. This methodology ensures judicious and sustainable use of water resources.
- To cultivate eco-conscious habits among student educators, the college has inaugurated "Green Initiative Hours," during which students engage in green practices and gain knowledge about sustainability. This initiative aims to nurture a generation of educators who are environmentally responsible and mindful.
- The college is resolute in its commitment to creating a plastic-free environment and sustaining a clean, verdant campus. Through these eco-friendly practices and initiatives, St. Ignatius College of Education sets an exemplary standard for educational institutions in advancing sustainability and environmental stewardship.

The institution ardently champions the cause of environmental preservation and consciousness through its diverse array of initiatives. The programs are as follows:

- An invited lecture on "Road to G20: Beating Plastic Pollution from Source to Sea" held on July 5, 2023, explored strategies to diminish plastic pollution and advance sustainability. This initiative enables student educators to contribute meaningfully to global endeavors to safeguard our oceans and natural environment.
- The Orientation on Seed Ball Preparation for Forest Restoration, held on August 7, 2023, equipped attendees with the skills and knowledge necessary for active participation in reforestation efforts. By mastering the art of seed ball creation, participants gained a tangible method for rehabilitating degraded landscapes and promoting biodiversity.
- The screening and review of "Join the Regeneration 2040" by the Eco Protection Club on September 14, 2023, ignited thought-provoking discussions and heightened awareness of sustainability and regenerative practices. This event instilled a deeper dedication to environmental advocacy and empowered attendees to champion positive change within their communities.

- The "Indigenous Sapling Plantation Day" orchestrated by the Eco Protection Club on October 17, 2023, resulted in the planting of indigenous tree species, bolstering local biodiversity and facilitating ecosystem restoration. This event nurtured a sense of environmental stewardship and community involvement, motivating student educators to continue supporting reforestation initiatives and protecting our natural habitats.
- The poster presentation competition on "Ozone for Life," held on September 14, 2023, in collaboration with the Nature Lovers Association, significantly heightened awareness of ozone layer protection and environmental conservation. Participants displayed innovative concepts and research findings on ozone depletion, its impact on climate change, and mitigation strategies. The competition made a notable contribution to fostering environmental awareness and encouraging actions to safeguard the planet's ozone layer for future generations.
- The Workshop on Eco Bags Production, held on November 23, 2023, empowered student educators with the expertise to produce eco-friendly alternatives to single-use plastic bags. Through practical training and guidance, student educators mastered the techniques and materials required to create reusable, environmentally-friendly bags. This workshop motivated student educators to integrate sustainable practices into their everyday lives.
- The Swachh Bharat Abhiyan Campus cleaning event, held on January 11, 2024, in collaboration with the Youth Red Cross, culminated in a cleaner and more sustainable campus environment. Student educators actively participated in cleaning and waste management efforts, collecting and separating waste to promote recycling and proper disposal.
- The online poster presentation competition on "Wetlands and Human Wellbeing," held on February 20, 2024, offered a platform for student educators to present research and insights into the vital importance of wetlands for ecological balance and human health. Attendees gained a profound understanding of the manifold benefits of wetlands, including their roles in biodiversity conservation, water purification, and flood control. The competition stimulated awareness and discourse on wetland preservation, underscoring their critical role in supporting sustainable development and enhancing community well-being.
- In collaboration with the Arumbugal Trust, Tirunelveli, an invited talk on "Leveraging Water for Peace" was held on March 22, 2024. The event provided valuable insights

into the connection between water management and fostering peace and sustainable development. Participants gained an understanding of the interplay between water resources, peace-building, and community resilience. The talk inspired dialogue and action toward equitable water access and conflict resolution, ultimately fostering awareness and dedication to utilizing water as a catalyst for peace and environmental harmony.

COMMITMENT TO SOCIETY

The institution's collaborations with esteemed organizations and initiatives underscore its unwavering dedication to environmental preservation and sustainable practices. The programs are as follows:

- In partnership with St. Xavier's College of Education, Palayamkottai, and Shakthi Folk Cultural Centre, Dindigul, an awareness program titled "A New World is Possible" was held on July 14, 2023. The event artfully conveyed environmental challenges and issues through music, dance, and theatrical performances. This creative approach inspired participants to champion environmental conservation and fostered awareness through artistic expression.
- The "Grand Seed Ball Festival" on August 9, 2023, aimed to set a world record by producing 200,000 seed balls in a single minute. The joint effort of the National Green Club, Eco Protection Club, and St. Ignatius Convent Higher Secondary School underscored the importance of reforestation and biodiversity conservation. While the event achieved its record-setting goal, it also raised awareness about the crucial role of seed balls in ecosystem restoration. Participants, from students to community members, contributed to the environmental endeavor, fostering a sense of collective responsibility and unity towards healthier ecosystems.
- The "Big Green Bang-Seed Bombing" event held on August 14, 2023, in collaboration with St. Ignatius Convent Higher Secondary School, had a significant impact on promoting hands-on learning and environmental awareness. Student educators actively participated in dispersing seed bombs in designated areas, fostering a sense of community and shared responsibility for environmental conservation. The event facilitated reforestation and habitat restoration, seamlessly blending education, action, and community engagement for sustainable practices.
- The "Each One Plant One" Tree Plantation Drive organized by the Eco Protection Club on August 11, 2023, resulted in the planting of numerous trees, thereby enriching local

green spaces and advancing reforestation initiatives. Participants, including students and community members, engaged in the planting process, nurturing environmental stewardship and community involvement. The initiative highlighted the significance of tree planting for biodiversity, climate regulation, and ecosystem services, promoting a culture of sustainability and proactive environmental care.

- The "Mega Palm Plantation Drive" held on December 12, 2023, in collaboration with the Rotary Club of Tirunelveli and EGG Foundation at Moorthi Nainarkulam, V.M. Chatram, achieved a notable increase in palm tree planting. The event successfully engaged community members, Rotary Club representatives, and student educators from SICE in greening the area. This endeavor enriched the local environment, contributed to biodiversity, and offered economic benefits from palm tree cultivation. The collaboration among organizations fortified community partnerships and emphasized a shared commitment to environmental sustainability.
- The Human Chain Campaign on "Climate Change" on February 13, 2024, in collaboration with St. Xavier's College of Education, Palayamkottai, St. Johns College of Education, Palayamkottai, and EGG Foundation Tirunelveli, was profoundly impactful. Student educators formed a human chain opposite Palayamkottai bus station, symbolizing unity and collective action against climate change. The campaign heightened awareness of the need for immediate climate action, emphasizing the pivotal role of individual and communal efforts in curbing climate change's effects. This collaboration between educational institutions and the EGG Foundation fostered interdisciplinary learning and community engagement, inspiring all participants to embrace sustainable practices and advocate for climate-resilient policies.
- The active engagement of student educators in the Tamiraparani River cleaning event, inaugurated by District Collector P. Karthikeyan on March 2, 2024, in collaboration with India Cements, Tirunelveli, and Development Trust, V.M Chatram, had a considerable impact. Their involvement contributed to a cleaner, healthier river ecosystem by removing waste and pollutants while raising community awareness about river conservation. This event underscored the dedication of student educators to environmental stewardship and community service. It fostered a sense of responsibility and commitment to preserving natural resources and promoting sustainable practices, reinforcing the value of collective action in safeguarding water bodies and championing environmental sustainability.

CONCLUSION

The academic year 2023-2024 demonstrates St. Ignatius College of Education's unwavering commitment to excellence in education and community development through a diverse range of initiatives. Our emphasis on holistic growth for students and staff has remained central, evident in our curriculum and comprehensive activities. We prioritize not only academic achievement but also personal development, ensuring a well-rounded educational experience for all.
