INDEPENDENCE DAY

Independence Day was celebrated in our College to keep the flame of patriotism burning in our heart on August 15th, 2017. Mr. Senthamarai Kannan, Superintendent of Central Jail, Palayamkottai was invited as the chief guest. His inspiring talk made the students realize how important sacrifice and perseverance are, for a youth to build a strong nation. The students performed variety of programmes which revived the feeling of patriotism. Our Principal, Rev. Dr. A.Nirmala Devi organized this programme.

TEACHERS DAY

On behalf of the management, a prayer service was conducted on the Teachers' day to strengthen our spirit of service to the society in the field of education. There is a saying 'great teachers aspire' and true to this word, on the 5th of September 2017, our College held a Teacher's day Celebration. The programme was planned and organized by our beloved Principal. Our former faculty member Dr. Amala Thambu was the guest of honour and she delivered her speech on, "Teaching - The noblest profession of the world". The students exhibited their talents as a treat to the teachers. Dance, skit and poem reading made the day explicable. In afternoon session all the members of the staff went on a trip to Manapadu. Our staff members enjoyed a lot and had a memorable day.

CHRISTMAS DAY

Christmas gives us the message of love, brotherhood and charity. On 21.12.2017 we, the Ignatians celebrated Christmas day in our college. Our students shared their joy through carols, dance and nativity play. Christmas message was given by the special guest Rev.Fr.Jerald S.Ravi, Regional Director, Madha TV. He beautifully enunciated the real meaning of Christmas as spirit of love, sharing, responsibility and peace. The entire programme was telecasted in Madha TV on 25th December. Since it was much appreciated, it was re-telecasted on 28th of the same month. Rev. Dr. A. Nirmala Devi, our Principal, effectively organized the programmes of the day. The great sacrifice of Jesus Christ for the love of others give us the message that we should always love our neighbours and the poor people and do good to them.

WOMEN'S DAY

Our Principal Rev. Dr. A. Nirmala Devi has a right instinct that, 'A single moment can spark a revolution, collective actions can transform laws, creative expression can change attitudes and an invention can alter the course of history'. It's these threads that weave together to propel the women's movement- even in the face of obstacles. On March 8th, 2018 our students proved their flair through a debate on "Are social media a boon or a bane for women empowerment?" Dr. R. Indra Mary, Assistant Professor of Psychology, adjudicated that women must empower themselves to shatter the bane and make it a boon for themselves. All our budding teachers felt motivated to bring out their full potential.
