IQAC adopts the following strategies to ensure quality enhancement

- Providing opportunities for the students to acquire and demonstrate knowledge, skills, values, and attitudes related to various learning areas
- Identifying different learning needs of the students
- Adopting multiple mode approach to teaching learning
- Providing exposure to students about recent development in the field of education
- Providing opportunities for developing competencies and skills in different functional areas
- Providing in house support to teachers for research purpose
- Creating an eco-system for innovation and other initiatives for creation and transfer of knowledge
- Supporting faculty to work more on research and publications
- Sensitizing the students to social issues
- Conducting Capability building and skills enhancement initiatives
- Reviewing teaching-learning process periodically
- Providing pollution free healthy environment
- Inculcating humanitarian values among students
